Description:

Henry and Thomas are modern day pirates. They love to squander and pilfer whatever they can get and that includes women. They prey on beautiful princesses and demand a ransom for them. They take the princess aboard their ship and wine and dine them. The princesses' fall in love with the modern day pirates and Henry and Thomas take pleasure in being able to satisfy them. Once they receive their ransom money, they let the princess go and then it is on to the next sea and the next adventure.

Excerpt:

Henry could feel his cock quiver with excitement as she dabbed at the red wine. She saw the look on his face.

"Oh my!" she exclaimed, her face turning red with embarrassment. "Have I awaken someone?"

"Oh yes," said Henry, unzipping his pants and pulling out his now rock hard cock and stroking it gently.

"Oh my!" exclaimed Princess Rosa, eyes now as wide as saucers. "It looks like he needs some attention."

Princess Rosa took a sip of her red wine and then she bent over and started sucking on Henry's cock.

Thomas was looking on in the rear view mirror while trying to keep his eyes on driving. He was used to this.

Henry was always the one to get the princesses first. However, he knew that once they were aboard their ship that he would be joining in on the fun.

Henry reached down the front of Princess Rosa's dress and fondled her large, supple breasts in his hand as he watched her head bob up and down on his eight inch shaft. Princess Rosa sat back in her chair and wiggled out of her panties. She spread her legs wide and waited while Henry quickly undid his belt and pulled down his pants. He bent down on his knees in front of her and entered her sweet vagina. He rocked her hard and he felt it as she had an explosive orgasm, making him explode inside of her.
