Slavery in the Development of the Americas

Slavery in the Development of the Americas

Compiled from the latest research of leading historians and economic historians of slavery, these essays cover various aspects of slavery and its role in the development of the southern United States, Brazil, Cuba, the French and Dutch Caribbean, and elsewhere in the Americas. Some essays explore the emergence of the slave system, while others provide important insights about the operation of specific slave economies. Reviews of slave markets and prices, and discussions of the efficiency and distributional aspects of slavery, are also included.
