The secret to one of the most successful strategies of the last several decades--endowment investing

While individual investors have struggled in recent years, many college endowments have reaped the benefits of steady year-over-year growth. In *Wise Money*, bestselling personal finance author Daniel Wildermuth reveals the investing world's biggest secret and helps you replicate the performance endowment investors have been enjoying for years. This results-driven book shows you how to:

- Create a portfolio similar to those used by the most sophisticated investors in the world
- Combine different investments to potentially provide both high income and strong growth potential
- Reduce your wealth's exposure to risk and volatility through intelligent diversification
- Include investments that are likely to excel during times of higher inflation
- Select various alternative investments that you may be able to use to dramatically improve your financial health

Take it from a five-star wealth manager: *Wise Money* puts you at the head of the class with the investors who have all the money.
