If life gave you a second chance to meet your first love again, would you risk everything to take it?

When Arthur returns to San Francisco after a self-imposed exile in Paris, he rediscovers his best friend, his job, and the city he loves. The one thing missing is Lauren: the woman he had sacrificed everything to save, only to lose her minutes later. Arthur is resigned to never see Lauren again. But when fate intervenes, it is Lauren's turn to save Arthur. If only she can find him in time.

The sequel to Marc Levy's international bestseller If Only It Were True, this is an adventure that is by turns breathtaking and hilarious and a heart-warming love story that is impossible to forget.
