Masters of Reality: The Gathering (Ancient Future Trilogy) Traci Harding

The extraordinary and bestselling journey of one woman throughout time...

An enormous vortex spiralled above the earth, out beyond the orbit of the moon. Its center was expanding to form a huge glowing corridor through the fabric of space. This brilliant mass shot forth thousands of glowing balls of light that proceeded to descend toward our planet.

As Tory awaits Maelgwn's return, she endeavors to find out the truth behind her ancestry and is shocked to discover that her clan is not the only tribe of immortals the Gods have nurtured. One by one, allies from Tory's past re-emerge to help her through a time of tribulation when her clan is made outcast from mainstream society...an old enemy, incarnate, is seeking revenge on the Dragon's kin. And now, aided by a divine power, an interstellar army is set to destroy “the Chosen” at the foretold Gathering of Kings.
