The Aztec Book of Destiny

Rick Holmer

The Aztec Book of Destiny Rick Holmer

The Aztec Book of Destiny summarizes traditional Mesoamerican beliefs about the spiritual nature of time and its influence on one's personality and fate. The ancient Aztec, Toltec and Maya believed that the day of birth, as defined in their sacred calendar, affects destiny; and this philosophy has guided their daily lives for more than 3000 years. This book condenses the scattered and disparate literature about these beliefs into a fun and informative narrative; but it goes far beyond what academics and popular authors have published to date. The author presents a unique perspective shaped by the wisdom of a traditional calendar-keeper he met in Mexico in 1973. The book's message is that the calendar is not simply an ancient and forgotten curiosity - it is as relevant today as in ancient times. The majority of the book projects the timeless Mesoamerican philosophy into contemporary Western society encouraging introspection and self-awareness.

From reader reviews:

Jessica Ball:

Nowadays reading books become more and more than want or need but also be a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge even the information inside the book which improve your knowledge and information. The information you get based on what kind of publication you read, if you want get more knowledge just go with education books but if you want truly feel happy read one with theme for entertaining such as comic or novel. Typically the The Aztec Book of Destiny is kind of e-book which is giving the reader unpredictable experience.

Carla Arbogast:

A lot of people always spent their own free time to vacation or maybe go to the outside with them household or their friend. Were you aware? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity that's look different you can read a new book. It is really fun to suit your needs. If you enjoy the book that you read you can spent the whole day to reading a book. The book The Aztec Book of Destiny it doesn't matter what good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. When you did not have enough space to bring this book you can buy the actual e-book. You can m0ore easily to read this book from the smart phone. The price is not too expensive but this book provides high quality.

Natalie Renz:

Would you one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Aim to pick one book that you never know the inside because don't evaluate book by its deal with may doesn't work the following is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer can be The Aztec Book of Destiny why because the excellent cover that make you consider about the content will not disappoint an individual. The inside or content is fantastic as the outside as well as cover. Your reading sixth sense will directly make suggestions to pick up this book.

Marcela Beach:

Many people spending their time period by playing outside having friends, fun activity together with family or just watching TV all day every day. You can have new activity to shell out your whole day by reading through a book. Ugh, do you consider reading a book will surely hard because you have to accept the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Smart phone. Like The Aztec Book of Destiny which is keeping the e-book version. So , why not try out this book? Let's notice.
