What's Life LL Fraser

Vanessa is a 17 year old mother of fraternal twins, Janet and James. After the twins' father denied them, Vanessa only had her best friend Lisa by her side; until Lisa decided to move out of state. With no one to turn to, Vanessa becomes suicidal and constantly injects illegal drugs into her body. She continually have flashbacks of when she was raped by her uncle as her favorite aunt watched. As James grow from an adolescent into an adult his mother's way of life slowly rubs off on him. It gets worse when he finds out he might have a disease that will cause him to die young. Janet tries to stray James on the right path, but she is no match for her mother. Vanessa hates life so much that she even wants to see her kids do badly. She targets James because she knows stress has him weak. Follow Vanessa, Janet, and James as they tell you what life means to them.
