SOME SECRETS ARE WORTH FIGHTING FOR

Back on Earth, Ariana is caught in a dangerous crossfire between clandestine rebel organization Clementia and the power-hungry government. Refusing to divulge the location of the secret information entrusted to her by her late father, she desperately tries to bargain for her Mom, Lily, and Cal's rescue. She's fighting a losing battle, and the clock is ticking.

Presented with evidence of her fiancé Cal's apparent betrayal, she loyally defends him despite her concerns. With her emotions in turmoil, matters become even more complicated as she grows closer to her ex-boyfriend Zane.

When the stakes are raised, a succession of shocking revelations rocks her world, setting her on a path that will not only change her destiny but the fate of humanity.

Confronted by a memory so abhorrent comes a truth she would do anything to forget.

But some things just can't be undone.

WILL I ENJOY THIS BOOK?

True Calling is an enthralling young adult science fiction fantasy romance series that has earned rave reviews from readers who enjoyed popular series like The Hunger Games, Divergent, Matched, The Selection, The 100, 1984, and it's even been favorably compared to the movie Elysium. Set between two vastly different worlds (utopian vs. dystopian) and told from two different perspectives, this series will appeal to readers who enjoy any of the following genres: Teen and Young Adult, Science Fiction, Dystopian, Romance, Fantasy, Paranormal or Supernatural, Urban Fantasy.

This is a fully completed series and I recommend reading it in the following order to maximize reading enjoyment:

True Calling #1
Lovestruck #1.5
Beyond Reach #2
Light of a Thousand Stars #2.5
Destiny Rising #3

Full Series bundle also available.
