Fatal Impact Kathryn Fox

THE SEVENTH CRIME NOVEL IN THE BRILLIANT ANYA CRICHTON SERIES - A SERIOUS RIVAL TO PATRICIA CORNWELL'S DR KAY SCARPETTA.

When forensic pathologist Dr Anya Crichton finds a dead child covered in blood and stuffed into a toy box, her thoughts immediately turn to murder. Then the post mortem reveals that the girl died from a deadly bacterial infection brought on by food poisoning. But does that mean Anya can rule out foul play?

Anya was only meant to be in Tasmania for a conference and to visit her mother, but when more people fall sick, including her father's cousin, Anya becomes intimately involved in the case. At the same time, her mother - with whom Anya has always had a difficult relationship ever since her little sister Miriam went missing thirty years ago - is acting strangely, talking about conspiracies and exhibiting classic signs of dementia.

As Anya deals with her increasingly paranoid mother, she is also racing to discover the source of the fatal bacterial infection. But Anya's investigations into the close-knit Tasmanian agricultural community where the contaminated food originated soon put her in grave danger as someone tries to kill her. As the deaths pile up, Anya's search leads her to an old murder case, and soon it becomes clear that her own family is closer to danger than ever before. But will Anya be able to discover the truth behind the poisoning and unmask the killer in time to save them, and herself?
