From Book 1: Lt. Colonel Jared Voss and his Assaulter team have run dozens of extract missions on war-torn Earth, delivering ‘the gifted’ to transport crews waiting to ferry them to shining civilization, to the halls of higher purpose on Mars. The kids are supposed to be safe there, their unique attributes vital to the rebuilding of the mother planet. It’s what Voss believes until a series of attacks on his team during one extract mission make it clear that ‘the gifted’ harbor a dangerous secret, and the girl he’s protecting might not be safe anywhere.

Petra Kimura is a smuggler, and a good one, specializing in the acquisition of rare Earth treasures for discerning clients on the Red Planet. When an Assaulter team boards her ship at Earth’s docking station and offers to pay for discreet passage to Mars, she negotiates a good price without asking too many questions. It’s a decision that will bind her to a man she knows nothing about, and draw her into a struggle for power 350 million years in the making, with the fate of two worlds hanging in the balance.

All proceeds from the Fort Liberty Series go to support non-profit organizations focused on helping US Veterans and their families. For more information on these organizations, please visit the M. Orenda page on Facebook, <https://www.facebook.com/morendabooks?ref=hl>.
