**Improving Functional Outcomes in Physical Rehabilitation** Susan B. O'Sullivan EdD PT, Thomas J. Schmitz PhD PT

Here is a practical, step-by-step guide to help you understanding the treatment process and to select the most appropriate intervention for your patient. Superbly illustrated, in-depth coverage will show you how to identify functional deficits, determine what treatments are appropriate, and then to implement them to achieve the best functional outcome for your patients. This one-of-a-kind text uses case studies in the narrative and then visually on the accompanying DVD to present real-world clinical demonstrations of how the interventions selected make a difference in your patients' lives.
