Arnold Bennett

Literary Taste: How To Form It Arnold Bennett

Literary Taste: How to Form it is a long essay by Arnold Bennett, first published in 1909. It includes a long list of recommended books, every item individually costed. Both the essay and the list were very influential, although Bennett's decision to include only books originally written in English (along with a handful of Latin works) makes it extremely insular compared with most other attempts at compiling a literary canon.
