## People of Kau Leni Riefenstahl

This is a photographic monograph on the life of the people of Kau. Leni Riefenstahl spent 16 weeks with the Nuba of Kau in 1975. These people, known as the "South East Nuba", live only 100 miles away from the Mesakin Nuba. Yet, they speak another language, follow different customs, and are very different in character and temperament. The knife-fights, dances of love and elaborately painted faces and bodies are photographed in the book.
