So Long, Marianne: A Love Story — includes rare material by Leonard Cohen Kari Hesthamar

At 22, Marianne Ihlen travelled to the Greek island of Hydra with writer Axel Jensen. Axel wrote and Marianne kept house, until the day Axel abandoned her and their newborn son for another woman. One day while Marianne is shopping in a little grocery store, in walks a man who asks her to join him and some friends outside at their table. He introduces himself as Leonard Cohen, then a little-known writer.

Thus starts a love story that lasts through most of the 1960s and which takes them to Oslo, Montreal and New York and back to Hydra. Meanwhile, Cohen writes “So Long, Marianne,” one of the most beautiful love songs of all time. Peppered with previously unpublished poems, letters, and photographs, *So Long, Marianne* is an intimate, honest account of Marianne’s journey and a portrait of the international artists’ colony on Hydra in the 1960s.
