## Telling the Bees Faith Shearin

Faith Shearin's latest poetry collection, *Telling the Bees*, is evidence of an ongoing, important talent. The author of three previous collections of poetry, the most recent, *Moving the Piano* (Stephen F. Austin State University Press, 2011), was featured on numerous occasions on Garrison Keillor's *The Writer's Almanac*. Doubtless, the book received such overwhelming attention because Shearin proves, poem after poem, that she writes what we need: poetry that is accessible and meaningful, without gimmick and possessing a music and imagination hardly equaled by her contemporaries.

As poet Tim Seibles wrote about *Moving the Piano*, "I think we want poems that can help us, poems that invite us to be clear . . . so that we can take the next step and not be made a fool by this life." *Telling the Bees* is no-nonsense poetry at its best.
