The One from the Other Philip Kerr

Munich in 1949 is a place where a private eye can find a lot of not-quite-reputable work: cleaning up the Nazi past of well-to-do locals, abetting fugitives in the flight abroad, sorting out rival claims to stolen goods. It's work that fills Bernie Gunther with disgust - but it also fills his sorely depleted wallet.

Then a woman seeks him out. Her husband has disappeared. She's not looking to get him back - he's a wanted man who ran one of the most vicious concentration camps in Poland. She just wants confirmation that he's dead. It's a simple enough job. But in post-war Germany, nothing is simple, and Bernie soon finds himself on the run, facing enemies on every side.
