**The Shareholder** Michael Dunne

Standard Shipping Vessel (SSV) Forger is in orbit around Ossirius Minor, awaiting its latest cargo delivery. Pilot and captain, Don Creighton, is the only person on board.

When the planet-side delivery vessel turns out to be an Ossirian intelligence ship, Creighton gets curious...and discovers his cargo isn't at all what he expected. Someone is out to get him; but who is it? And why? Is it because he recently became part-owner of the Forger?

The Shareholder, a five-thousand word short story, weaves a tense Science Fiction tale of intrigue and suspense as Creighton fights to save his ship, his life and his future.

### **From reader reviews:**

#### **Errol Sawyer:**

Reading a guide can be one of a lot of exercise that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new information. When you read a publication you will get new information mainly because book is one of several ways to share the information or their idea. Second, looking at a book will make anyone more imaginative. When you reading a book especially fictional book the author will bring you to definitely imagine the story how the characters do it anything. Third, you can share your knowledge to other individuals. When you read this The Shareholder, you may tells your family, friends and also soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a reserve.

#### **Louise Hacker:**

Reading can called brain hangout, why? Because when you find yourself reading a book specifically book entitled The Shareholder your mind will drift away trough every dimension, wandering in every single aspect that maybe mysterious for but surely will end up your mind friends. Imaging every single word written in a e-book then become one type conclusion and explanation which maybe you never get before. The The Shareholder giving you another experience more than blown away the mind but also giving you useful facts for your better life within this era. So now let us present to you the relaxing pattern is your body and mind will probably be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

#### **Irma Patterson:**

This The Shareholder is great publication for you because the content which is full of information for you who else always deal with world and also have to make decision every minute. This particular book reveal it info accurately using great coordinate word or we can point out no rambling sentences included. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but hard core information with lovely delivering sentences. Having The Shareholder in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen tiny right but this guide already do that. So , this is certainly good reading book. Hey Mr. and Mrs. active do you still doubt which?

#### **Bernie Watts:**

Some people said that they feel bored stiff when they reading a guide. They are directly felt it when they get a half elements of the book. You can choose often the book The Shareholder to make your personal reading is interesting. Your current skill of reading expertise is developing when you including reading. Try to choose straightforward book to make you enjoy to study it and mingle the impression about book and reading especially. It is to be first opinion for you to like to open a book and learn it. Beside that the reserve The Shareholder can to be your brand-new friend when you're really feel alone and confuse with what must

you're doing of that time.
