Daimones (The Daimones Trilogy) (Volume 1) Massimo Marino

The death and re-birth of the human race.

Nothing could have prepared them for the last day. Explore the future of humanity in Massimo Marino's sci-fi debut, *Daimones*, an apocalyptic tale that feels like it could happen tomorrow. You may never sleep through a windstorm again.

Death swept away the lives of billions, but spared Dan Amenta and his family, leading them to an uncertain future. When merely surviving isn't enough and the hunt for answers begins, memories from the past and troubling encounters lead Dan to the truth about the extermination of the human race. Distressing revelations will give new meaning to their very existence.

Early humans shaped the future and seeded a plan millions of years in the making. Now survivors must choose: Endure a future with no past or fade away into a past with no future?
