Every now and then there comes a book that awakens the spirit of childlike joy and laughter in young and old alike. Do You Want To Play With My Balls? is just that kind of book, full of innocence and irreverence, and sure to make every member of your family vomit with glee.

At once shockingly direct, unabashedly sentimental, and totally asinine, Do You Want To Play With My Balls? is a visually stunning treat, embellished with brightly colored images by award winning (\*\*) illustrator Santiago Elizalde. It's a book for all occasions: baby showers, birthday parties, bed time readings, brisses... No coffee table, nursery, or kindergarten is complete without a copy. Go ahead, read it to the kids! They'll love it, but won't have a clue as to why you're turning blue with laughter!

This prompted an Internet explosion that not only put Do You Want To Play With My Balls? on the map, but on the entire globe.
