The final handcrafted installment by award-winning author Ann Rinaldi. "Whether they've covered the previous books or not, readers will enjoy this rip-roaring tale of adventure and suspense."-Kirkus

Amanda Videau had no idea what adventures she'd find on the journey North. But she never expected this... After witnessing a crime, she goes into hiding, disguising herself as a worker in her great-grandfather's textile mill. For the first time in her life, Amanda must work to survive. And that means experiencing the horrible working conditions of the mill firsthand.

Now, as Amanda fights for her newfound rights, she must also try to heal generations of deep Chelmsford family wounds. And that means facing the man behind the blue door--the man who tore apart the family quilt so many years ago.
