From the Detroit Metropolitan Area, deemed one of the most violent places on earth come true testimonies of escaping death. God has assured us that no weapon formed against us shall prosper, but He did not say that a weapon would not form. This book presents 15 terrifying narratives of people who have been on the other end of weapons like an Uzi sub machine gun and survived. While each incident is different, all of the survivors know and declare that escaping death was only possible because God did not permit the weapon to prevail. Each testimony is followed with a brief inspired commentary and referenced biblical scriptures. Read this book to prepare spiritually for weapons that may form against you, to increase your faith about God's ability to rescue you, and to encourage you that no weapon formed against you shall prosper (Isaiah 54:17). One hundred percent of the proceeds from this book will further the work of Runner for Christ Ministries.
