Corporations and Other Business Organizations, Cases and Materials, Concise, 10th (University Casebooks) (University Casebook Series) Melvin Eisenberg, James Cox

The concise version of Corporations, Tenth Edition includes materials on Limited Liability Partnerships and Limited Liability Companies. This edition continues the approach of earlier editions in emphasizing rich, full-bodied versions of the principal cases, and a functionalist approach to the problems of contract law. The new edition includes a great number of new principal cases and case notes, as well as longer, analytical notes. The emphasis of previous editions on international contract law continues.
