World geography, world cultures...a world students can understand

Exploring Our World is a middle school program co-authored by National Geographic. This program introduces students to an enriched view of the interrelationships of geography, history, economics, government, citizenship, and current eventsâ€”in one compelling package. A strong geographic thread is interwoven with history, government, and current events to analyze different regions of the world and the issues they face.

Suitable for a world geography or world cultures class, *Exploring Our World* is available as a full survey; Eastern Hemisphere; and Western Hemisphere, Europe, and Russia.
