Funtastic World of Hanna Barbera #3 " Flintstones Visits Laff-a-lympics" Mark Evanier

Treasury Editions are a large oversize (13" x 10") comic format that Marvel (and DC and Archie) experimented with in the mid 1970's to early 1980's. For most part, DC and Marvel used the format to reprint older classics, though they both produced original stories that appeared in this format only. The print quality is uniformly better than any of the more well heeled reprint formats being produced today (e.g. Archives and Masterworks).
