The Stranger

The stranger appears out of nowhere, perhaps in a bar, or a parking lot, or at the grocery store. His identity is unknown. His motives are unclear. His information is undeniable. Then he whispers a few words in your ear and disappears, leaving you picking up the pieces of your shattered world.

Adam Price has a lot to lose: a comfortable marriage to a beautiful woman, two wonderful sons, and all the trappings of the American dream: a big house, a good job, a seemingly perfect life.

Then he runs into the stranger. When he learns a devastating secret about his wife, Corinne, he confronts her, and the mirage of perfection disappears as if it never existed at all. Soon Adam finds himself tangled in something far darker than even Corinne's deception, and he realizes that if he doesn't make exactly the right moves, the conspiracy he's stumbled into will not only ruin lives?it will end them.

Missing You

It's a profile, like all the others on the online dating site. But as NYPD detective Kat Donovan focuses on the accompanying picture, she feels her whole world explode as emotions she's ignored for decades come crashing down on her. Staring back at her is her ex-fiancé, Jeff, the man who shattered her heart?and whom she hasn't seen in eighteen years.

Kat feels a spark, wondering if this might be the moment when past tragedies recede and a new world opens up to her. But when she reaches out to the man in the profile, her reawakened hope quickly darkens into suspicion and then terror as an unspeakable conspiracy comes to light in which monsters prey upon the most vulnerable.

As the body count mounts and Kat's hope for a second chance with Jeff grows more and more elusive, she is consumed by an investigation that challenges her feelings about everyone she's ever loved?her former fiancé, her mother, and even her father, whose cruel murder so long ago has never been fully explained. With lives on the line, including her own, Kat must venture deeper into the darkness than she ever has before and discover if she has the strength to survive what she finds there.
