Beginning RPG Maker VX Ace Darrin Perez

Beginning RPG Maker VX Ace takes you through the process of using the RPG Maker VX Ace game development engine to create your very own role playing game. The book has been designed with the complete beginner in mind who has little to no experience with the engine. Tutorials and exercises will take you from installing the software to putting the final touches upon your first project.

Game design can be quite a daunting challenge, as it generally involves a large amount of programming know-how on top of having to plan everything out that makes a good game what it is. RPG Maker VX Ace is an intuitive system that allows you to make your own game with a fraction of the effort otherwise required. *Beginning RPG Maker VX Ace* equips you with the knowledge you need to use Enterbrain's newest role playing game development engine.

- Takes you from the start of a project to the completion of a small game.
- Provides a step-by-step process that will walk you through each stage of the creation process.
- Gives many helpful tips and tricks you can apply to your future endeavors with the engine.

What you'll learn

- Switches and variables and how they can be used to affect the game world.
- Populate your areas with non-player characters that serve a wide range of roles.
- Use the database which serves as the backbone of RPG Maker VX Ace.
- Create dungeons with two types of enemy encounters.
- Create fun and varied mini-games and side-quests to serve as distractions from the main plot.
- The basics of using RPG Maker VX Ace's Script Editor.
