## **From Memory to Imagination: Reforming the Church's Music (Calvin Institute of Christian Worship Liturgical Studies Series) C. Randall Bradley**

The relatively recent "worship wars" over styles of worship -- traditional, contemporary, or blended -- have calmed down, and many churches have now reached decisions about which "worship style" defines them. At a more fundamental level, however, change has yet to begin.

In *From Memory to Imagination* Randall Bradley argues that fallout from the worship wars needs to be cleaned up and that fundamental cultural changes -- namely, the effects of postmodernism -- call for new approaches to worship. Outlining imaginative ways for the church to move forward, this book is a must-read for church leaders and anyone interested in worship music.
