Mom's Family Calendar 2011 Sandra Boynton

The 17-month calendar that keeps Mom and the whole family organized, Mom's Family Calendar marries the organizational powers of a planner with the utter cuteness of Sandra Boynton's animal characters—those lovable hippos and cows, pigs, chickens, and dogs—hopping, dancing, and skipping through the grids. The grids run vertically, with five columns across the top (one for each family member) and the days of the month running down the left-hand side. There's plenty of room to write in every person's activities for each day, and Mom and Dad can easily see who's doing what, when. Includes a drop-down storage pocket, 500 stickers, and a write-on, wipe-off magnetic phone list to hang on the fridge. This is Family Central, with a big Boynton smile.
