Everyone wants to be happy. Here in this profound volume is a road map for discovering a life filled with happiness, joy, and a sense of purpose. The Dalai Lama's basic premise is that each of us is responsible for our own health and happiness and for the health of society. He further asserts that health and happiness are within our reach—both individually and collectively.

How a person thinks, behaves, and feels ultimately impacts not only their own lives, but also the society in which they live. If you desire to attain happiness, you must understand that the journey begins with you. It is only then that you can reach out and touch the lives of others and change society.

In this anthology, His Holiness the Dalai Lama, with characteristic wisdom, humor, and kindness, directs readers toward a happy, healthy, and peaceful life. Talking about universal themes such as compassion, peace, non-violence, secularism, and the pursuit of a healthy mind and body, he reminds us that the responsibility to change our thoughts, actions, and lives lies within our power.

This is a book for fans of His Holiness, for spiritual seekers, and for those interested in the spiritual and emotional health of individuals and societies.
