**The Eye of Love: A Novel (The Martha Novels) Margery Sharp**

**Margery Sharp's enchanting *New York Times*—bestselling novel about the profound ways that love can change our view of other people and the world around us**

Miss Dolores Diver and Harry Gibson have been passionately in love ever since they met at the Chelsea Arts Ball: He came as a brown paper parcel, she as a Spanish dancer. Only the eye of love could have transformed plain Dolores into a Spanish rose and stout Harry into the man of Dolores's dreams. But ten years later, during the Great Depression, Harry must marry his colleague's daughter in order to save his nearly bankrupt business.

The course of true love never runs smoothly but with some inadvertent help from Dolores's keenly observant nine-year-old niece, Martha, Harry's grasping fiancée, and Dolores's calculating lodger, Harry might succeed in both averting financial ruin and reclaiming his beloved.
