## **The Mogul's Maiden Mistress: Enrique's Story (The Castillos Book 3)** Judy Angelo

New York Times and USA Today best-selling author, Judy Angelo, presents another international romance in the family saga, The Castillos:

From the first time he meets his grandfather's private nurse, Enrique Castillo is intrigued. Melissa Morales seems shy and withdrawn, but this mild-mannered maiden has an underlying current of subtle strength that draws him in until she's got him in an unrelenting grip that has him coming back for more. When this guileless girl puts herself in his hands, trusting him to teach her the ways of the world, he is soon smitten. Unschooled though she is, what better woman to play the role of his mistress?

Melissa Morales has always prided herself on being practical and realistic. She knows her place in the world and has no illusions of grandeur. But when the grandson of her employer invites her to play the role of his mistress, it is an offer she can't refuse. And then, to her astonishment, he agrees to teach her what it means to be a woman. What could be better than that?

But Melissa soon learns that she's playing a game she can never win. What a wicked way to learn the dangers of falling in love.
