Katie was a player and a waitress. She used her table waiting to find her prey and reeled them in with her amazing brown hair and stellar body. It had gotten her cars, jewelry, money and anything else she wanted, but she never once found love.

She was pretty sure she did when she met Steve, a soft spoken young man who came in every day for a cup of coffee. He was shyer than most, and he couldn't quite say what she knew he was thinking, so he tried to drink to do it. He came into the restaurant blacked out on cheap whiskey and wine coolers, and he could've killed her if it weren't for a daring rescue by a strange man named Luke who whisked her away and opened her eyes to a world she never thought possible.

Would Luke's secret tear them apart? Was Katie finally in love?
