Susan Lindauer

What if the government decided to invent a great lie to justify a disastrous war and a questionable anti-terrorism policy? What would happen to the people who know the truth? **EXTREME PREJUDICE** delivers an explosive, high tension expose of the real facts surrounding the CIA's advance warnings of 9/11 and an insider's look at Pre-War Intelligence, told by one of the very few U.S. Assets covering Iraq before the War. For the first time, Lindauer discloses the existence of a comprehensive peace framework, which would have accomplished all major U.S. and British objectives in Baghdad without a single casualty.

EXTREME PREJUDICE reveals one Asset's desperate struggle to survive the cover ups of 9/11 and Iraq. A true life spy thriller that goes inside the Iraqi Embassy and prison on a Texas military base, **EXTREME PREJUDICE** exposes the depths of deception by leaders in Washington and London, in order to promote a questionable image of their successful anti-terrorism policy, and the shocking brutality used to suppress the truth of their failures from the American people and the world community. Above all, **EXTREME PREJUDICE** offers a critical examination of the Patriot Act from the defendant's chair. It is a terrifying story of secret charges, secret evidence, and threats of indefinite detention and forcible drugging--in the name of national security-- that readers won't forget.

"Susan Lindauer deserves unreserved admiration for this brave and moving account of her steadfast refusal to crumble under the shameful abuses to which she was subjected. She has provided us with an overdue exposure of the depths to which governments are all too prepared to descend to prevent disclosure of their dishonesty and malfeasance, her knowledge having been gained through bitter personal experience."

—Professor Robert Black, Q.C., Scottish architect of the Lockerbie Trial at Camp Zeist

"Unfolds like a suspense thriller from deep within the struggle for global sanity at the hands of those perpetrating dark secrecy. Chilling, heartbreaking, horrifying and hopeful, **EXTREME PREJUDICE** offers a depth of historical insight critical to transforming our future. Pay attention." —Janice Matthews, Director, 911Truth.org
