Sara Lander was back in town. She had big plans for her inheritance along with her freshly printed business degree and years of experience in some of Seattle's finest bakeries, she has a rich idea for Pride. Sara's Nook is going to be the next biggest thing to hit town. All she needs now is to steer clear of the hunky ex-Navy SEAL who is hell bent on taking all her focus away from starting her own business.

Allen Masters has been living in Pride for several years. Setting up a new branch of the Coastguard and training all the new recruits took years of skill and all his patience. But when he sees the black-haired beauty, who had come back into town, he realized she was the one he'd been searching for. Taking one taste of her sweets, he knew he'd be in for a sinful time, but losing his focus while flying into the eye of a storm was the last thing he could afford.
