Never before has the riveting American saga of "The Star-Spangled Banner" been so beautifully and thoroughly presented. This info-packed story of our national anthem includes illustrated lyrics; the fascinating history of the War of 1812 and the battle that inspired Francis Scott Key to pen the words; musical notation; historical photographs; plus a reproduction of Key's original manuscript. Back in print in hardcover—redesigned, historically updated, and with a glorious new cover—Caldecott Medalist Peter Spier's magnificent tribute takes readers from our anthem's turbulent origins at the Battle of Baltimore through the flag's significance in modern-day America.
