The World Set Free H.G. Wells

erbert George "H. G." Wells was an English writer, now best known for his work in the science fiction genre. Wells is sometimes called "The Father of Science Fiction. His most notable science fiction works include The War of the Worlds, The Time Machine, The Invisible Man and The Island of Doctor Moreau. This book truly shows Wells was a man way before his time.. The book foreshadows nuclear warfare years before research began and describes the chain reactions involved and the resulting radiation. Wells describes a weapon of enormous destructive power, used from the air that would wipe out everything for miles, and actually used the term "atomic bombs." Futuristic Science Fiction at its best....
