## **Drained: Adult Nursing and HuCow Erotica** R.J. Wylde

*Drained* is a collection of three hot and creamy adult nursing and huCow fantasies.

Industrial bondage, tail plugs, pens & kennels, insemination, augmentation and engorgement, feeding tubes, strap-ons, object insertion, pumping equipment, MMFs, MMMFs, MFFs, BBWs, billionaires...this collection has it all! And of course it's chock full of sex and leaking, dripping, white cream...of both kinds!

But don't think it's all kink and no story. *Drained* contains the following stories:

*Man Cream In, Woman Cream Out* - Mindy is a BBW that has a dark secret - she has kept her jugs engorged and swollen with cream for years. She gets drained dry when her husband and his handsome best friend discover her creamy secret! Everything, and everyone, is covered with white, sticky goodness before this story is done!

*Party Girl HuCow* - Jenny has financial problems, but she also has the best tasting cream around. When a sexy couple discover how good she tastes they hatch a plan that will help her use her cream to solve her financial problems. She winds up in a pen, plugged with a swishing tail and a bell around her neck. Her body, and her delicious cream, get used to entertain the richest people in town...men and women alike! It's so good, Jenny may never go back to her ordinary life.

*Milked for the President* - The President is ill, but the country desperately needs him in arms negotiations that threaten to destabilize the entire world. There is only one hope, and it may just be found in Laurie's massive globes. Laurie is swept up into a secret program that ends with her strapped down and plugged in every hole. Fluids are pumped in, and fluids are pumped out. It's scary, but when a handsome scientist takes her under her wing she just might have what it takes to do her duty for her country, and fall in love in the process!
