United States and Canadian Medical Residency Programs: A Guide for International Medical Graduates

Steven Wayne Powell MD

United States and Canadian Medical Residency Programs: A Guide for International Medical Graduates Steven Wayne Powell MD

This guide is a necessary reference tool for any international medical graduate or student applicant that is considering applying for a medical residency position in the U.S.A. or Canada. This book provides detailed information on the process of becoming accepted, the residency process, financing, and required milestones necessary to remain eligible for consideration. The educational process is described separately and in detail for each country. Detailed explanations of the licensing requirements for both countries are included. Information is provided for the North American medical system as whole, and specifically for the United States and Canada throughout. International Medical Student residency match statistics are provided and compared with U.S. and Canadian residents that are educated within the North American system and internationally as well.
