Easy Latin for Sight Reading for Secondary Schools: Selections From Ritchie's Fabulae Faciles (Classic Reprint) B. L. D'ooge

Excerpt from Easy Latin for Sight Reading for Secondary Schools: Selections From Ritchie's Fabulae Faciles

This little book is put forth with the hope that it will lead to more sight reading in secondary schools. While theoretically all agree that nothing is more helpful and inspiring, practically but few give it the attention it deserves. When sight reading is made to mean loose guessing and inexact interpretation of Latin as a refuge from hard study and scholarly habits, nothing can be urged in its defense; but properly understood as a method by which one may be safely and surely led to read and understand Latin as Latin, to take in its thoughts easily in the order in which they are presented, with no conscious appeal to English, we must all acknowledge its primary importance.

Poor results in the study of Latin are largely due to misdirected energy. Students learn much about the language, but do not learn the language itself. They get the form, but not the substance. While no language can be learned without knowing its grammar and syntax, the amount of such knowledge that is necessary to one who seeks only the meaning of the text is much smaller than is often supposed; and however valuable close grammatical analysis may be for other purposes, it may, and no doubt often does, seriously impede progress towards rapid reading and intelligent appreciation.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
