## **Lorraine Clarke: Nosce Te Ipsum** Lorraine Clarke

The companion to Lorraine Clarke's first major UK exhibition since returning from Italy in 2000, this book explores the mysterious link between magic, medicine, and religion. Providing a full-color record of the show, it also includes a statement from the artist and an essay by medical historian Dr. Ruth Richardson. Clarke's work is an excavation of the human being, exploring the history of our bodily awareness and addressing contemporary issues.
