**A exhilarating addition to the series by the author with no name, guaranteed to be every bit as gory, fast-paced, and adrenaline pumping as the previous two**

The Devil's Graveyard is an area of desert. Its only habitations are a small roadside gas station and a giant hotel, where the finale of the "Back From the Dead" singing competition is held, in which contestants compete by impersonating dead stars. Except that someone is killing them off. Featuring characters from *The Book With No Name* and *The Eye of the Moon*, this is a show where anything goes and anyone can enter. Even the judges aren't quite what they seem. Sanchez, Elvis, the Mystic Lady, a whole bunch of dead rock stars, and, of course, the Bourbon Kid are headed to the Hotel Pasadena for what is quite literally the most cutthroat reality show there's ever been. Dreams will be crushed, deals will be made, and blood will be spilled.
