**I was just a lost little girl forced to make it in a grown woman's world. A child turned out by the rulers of the game. When you get thrown into a snakepit you better learn how to wiggle! It's all about survival, baby. And not only did I learn the code of the streets, I made my own damn rules and got paid in the process. So listen close, but watch your pockets. I'm a Harlem girl. A scandalous chick. A ruthless mama. Me and this city are just alike. Grimy. And we never, ever sleep...**

It's a hard knock life for Saucy Sarita Robinson and the rules of the game are clear: get yours or get had. When her father gets popped in an armed robbery and her mother turns to drugs, Saucy is left to scratch out a life for herself on the streets of Harlem, and this city-slick vixen refuses to become a victim.

Young, hot, and hungry for the spotlight, Saucy has a full package and uses her assets to get whatever she wants: 128th Street has its own rules, and she knows them well. With sex as her weapon of choice, Saucy hustles her way straight into the heart of the hip-hop underworld, preying upon any man -- or woman -- who might help her get ahead. But Hott Saucy just can't get enough. Her calculating nature and insatiable appetite for power and prestige tempt her into dangerous waters, and before long she finds herself in too deep. The shot callers of the hip-hop world have a few tricks for Saucy -- a gutter plan to force her back onto the very streets that she came from.

But Saucy refuses to go down easy. She plots her revenge against some of the most powerful playas in the music industry, never suspecting that her enemies will fight back...and fight back hard.
