Paradise Rot: Book 1 Larry Weiner

(NOTE: Book 2, Once Again, With Blood, is now available)

Kyle Brightman--late of the advertising industry and soon-to-be-late of the 5th floor psych ward--has a job offer he can't refuse. A new resort in the Caribbean is looking for an art director. Kyle soon finds himself on the Isle of St. Agrippina working alongside a beautiful copywriter with an icy handshake. Questions arise: Why does the resort management team sport spray-on tans in the Bahamas? How can the resort offer such cheap vacation packages? What does one do with vats of Astroglide? To get the answers, Kyle must first navigate a series of wildly unpredictable events with a cast of even more wildly unpredictable characters, including a seductress jungle assassin, her partially paralyzed talking Chihuahua, an Ivy League Rastafarian seaplane captain, Kyle's ex-psych ward roommate, a former Haliburton mercenary, and a French tavern owner with a fondness for goats, all set to the greatest hits of the 70's. Pablo Cruise never felt so right.

From reader reviews:

Laura Rogers:

What do you think of book? It is just for students because they're still students or the idea for all people in the world, what the best subject for that? Simply you can be answered for that issue above. Every person has distinct personality and hobby for every other. Don't to be pushed someone or something that they don't need do that. You must know how great in addition to important the book Paradise Rot: Book 1. All type of book could you see on many methods. You can look for the internet resources or other social media.

Carrie Wilson:

In this period globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. The actual book that recommended for your requirements is Paradise Rot: Book 1 this e-book consist a lot of the information with the condition of this world now. This particular book was represented just how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. Often the writer made some research when he makes this book. This is why this book appropriate all of you.

Michael Marchant:

Don't be worry in case you are afraid that this book can filled the space in your house, you could have it in e-book approach, more simple and reachable. This Paradise Rot: Book 1 can give you a lot of friends because by you looking at this one book you have matter that they don't and make anyone more like an interesting person. This book can be one of one step for you to get success. This reserve offer you information that might be your friend doesn't learn, by knowing more than some other make you to be great folks. So , why hesitate? We should have Paradise Rot: Book 1.

Victor Havens:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Paradise Rot: Book 1 can make you experience more interested to read.
