This Kindle Single tells you how to successfully create a manuscript in Microsoft Word and get it to display the way you want in various Kindle Devices and applications.

There are three steps.

First is to create the manuscript in Microsoft Word using Kindle-friendly formatting.

Second is to convert the Microsoft Word document into a HTML file in order to upload to Kindle.

Third is to iteratively inspect and correct the file that Kindle automatically creates until you get your Kindle eBook looking the way you want.

The eBook includes embedded tutorial videos.
