## Could you murder your wife to save your daughter?

On the surface, Nick Connor's life is seemingly perfect: a quiet life with his beautiful family and everything he could ever want. But soon his murky past will collide with his idyllic life and threaten the very people he loves the most in the world.

When his five-year-old daughter, Ellie, is kidnapped, Nick's life is thrown into a tailspin. In exchange for his daughter's safe return, Nick will have to do the unthinkable: **he must murder his wife.**

With his family's lives hanging in the balance, what will Nick do? Can he and his family survive when the evil that taunts them stems from the sins of his past?
