How to Write Funny

How to Write Funny

Writing humor is subjective and challenging - thankfully, there are many ways to create it. *How to Write Funny* provides advice, insights and humor from more than twenty writers with a gift for making readers laugh.

In a diverse collection of articles and interviews, both classic and new, this esteemed group of writers, including **Dave Barry**, **Bill Bryson** and **Jennifer Crusie**, provides different viewpoints on how humor works on the page, whether in short stories, memoirs, novels or articles. You'll learn the principles and basic forms of comedy, when to break the rules of reason, the importance of being yourself, why you should stop trying to hard to be funny, and how to write for specific genres and audiences.

You'll also sit in on a special roundtable discussion featuring **P.J. O'Rourke**, **Mark Leyner**, **Maggie Estep** and **James Finn Garner**, as well as a one-of-a-kind "how-to" workshop conducted by funny lady and best-selling author **Jennifer Crusie**.

You've got a sense of humor. You've got the will to write. Combining the two, and getting it right, will bring a smile to your face and a chuckle to your readers.
