## **Magic and Divination in the Old Testament** Solomon Nigosian

Humans, since time immemorial, have tried to discover and influence the will of spirits and deities that they believed to be in charge of their lives. As a result, all cultures have produced certain special individuals thought to be closely in touch with the powers of the supernatural world. Was this true of ancient Israel? If so, who were the occult experts and what techniques were used by them? ... This study explores the many practices and rituals associated with magic and divination among the ancient Israelites as documented in the Old Testament. Seeking omens and consulting seers and diviners were widely practiced, though in the biblical text such activities are roundly condemned. Solomon Nigosian's scholarly work is written in language that makes it absorbing reading for both the biblical scholar and the layperson.

#### **Carol Ton:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's heart or real their pastime. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So, this Magic and Divination in the Old Testament can make you truly feel more interested to read.
