Route 66: Traveler's Guide and Roadside Companion

Tom Snyder

Route 66: Traveler's Guide and Roadside Companion Tom Snyder

Fourth Edition ?Fully revised and updated with 30 new maps throughout.

Right down America's Main Street it rolled, pausing at each town along the way, then moving on, carrying travelers in search of adventure, romance, or that rare chance for a new beginning. Route 66 knew many names: the Mother Road, Will Rogers Highway, the Neon Road. And it lived up to each. Travelers met the land, found new friends?and often themselves. Now, more than a quarter-century since being officially abandoned, the old road still keeps its promise.

Today, all along the highway's 2,448-mile length from Chicago to L.A., signs carrying its magic double sixes once again give direction to the journey. Yes, they assure you, this is still Route 66. . . .

More than twenty years after the original publication of *Route 66*, this completely updated and expanded guide will make the trip along the Mother Road easier and even more exciting. Responding to requests from readers and travelers, Tom Snyder offers up-to-date routings, elegant and easy-to-read new maps, and revised information on roadside attractions. Filled with love, high jinks, and mystery, the stories Snyder narrates truly capture the flavor of the Main Street of America. Cattle rustlers, gangsters, hitchhikers, and ghosts all make appearances in these nostalgic glimpses of history-in-the-making along America's most famous highway.

Ruby Harris:

Do you really one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you find out the inside because don't assess book by its include may doesn't work this is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside seem likes. Maybe you answer might be Route 66: Traveler's Guide and Roadside Companion why because the excellent cover that make you consider in regards to the content will not disappoint you actually. The inside or content is actually fantastic as the outside or cover. Your reading 6th sense will directly make suggestions to pick up this book.

Joshua White:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Route 66: Traveler's Guide and Roadside Companion can make you really feel more interested to read.
