The Rancher's Little Girl Emily Tilton

Some might call Victoria Mason ruthless, but she always gets her story, even if she has to sleep with influential men or put herself in danger to get a lead. But when she sneaks onto Senator Bob Austin's property and snaps some highly compromising photos of the powerful, corrupt politician, Victoria soon finds herself in way over her head.

She goes to a fellow reporter for help, and he suggests she take refuge with a friend who owns a ranch. Upon meeting the handsome, rough-hewn rancher Ross McGregor, she's none too happy with the way he speaks to her like she's a naughty little girl in need of a good spanking. But when she gives him a piece of her mind, she quickly discovers that he is not a man to be trifled with and her bare bottom pays the price for her sharp tongue.

Despite Victoria's shock and humiliation at this childish punishment, when Ross holds her close after her spanking it makes her feel safe and loved in a way she's never felt before, and she all but melts in his arms. It isn't long before Victoria knows she's found something she's been missing her whole life: a firm daddy who will keep her safe and make her behave like a good little girl. But her new life is going to be a big change, and Victoria will need quite a few more painful, embarrassing lessons along the way, followed each time by care and comfort from her loving daddy.
