With the death of Professor Valerius and his wife's declining mental health, Christine's future is once again uncertain. A chance encounter with Frankie results in an invitation to spend the summer at the ranch, but memories of the tragic accident there two years ago still haunt her.

Raoul soon arrives in Santa Fe, eager to repair his strained relationship with Christine. All seems to be going well until a mysterious intruder interferes.

Christine loves working backstage at the opera house, even with the strange ghost sightings and accidents. She looks forward to the premiere of Zoë's opera, with renowned diva La Carlotta singing the lead, but the Opera Ghost has other plans.
